cooperation among associates balance work and leisure control your worries and energize your life and much more the most important investment you will ever make is in yourself once you discover the key that unlocks the leader in you how to do it shows us sixteenth century italy from an entirely new perspective through manuals which were staples in the households of middlebrow italians merely trying to lead better lives addressing

challenges such as how to conceive a boy the manuals offered suggestions such as tying a tourniquet around your husband's left testicle or should you want to goad female desires throw 90 grubs in a liter of olive oil let steep in the sun for a week and apply liberally on the male anatomy bell's journey through booklets long dismissed by scholars as being of little literary value gives us a refreshing and surprisingly fun social history lively and curious reading particularly in its cascade of anecdote offered in a breezy cozy journalistic style lauro martines times literary supplement bell's fascinating book is a window on a lost world far nearer to our own than we might imagine how pleasant to read his delightful informative and often hilarious book kate saunders the independent an extraordinary work which blends the learned with the frankly bizarre the economist professor bell has a sly sense of humor and an enviably strong stomach he wants to know how people actually behaved not how the church or philosophers or earnest humanists thought they should behave i loved this book christopher stace daily telegraph if there is anything you will need to really enjoy your
