hilarious heartbreaking and sneaky suspenseful just do this one thing for me is a timely novel about a rule following daughter trying to hold her family together after her scammer mother disappears just do this one thing for me drew s mother says it more often than good morning heidi hill has been juggling shady side hustles for all of drew s seventeen years and drew knows that one thing really means all the necessary things her mother thinks are boring including taking care of her fifteen year old sister and eight year old brother in fact drew is the closest thing to a responsible adult they ve ever known when their mother disappears on the way to a new year s eve concert in mexico and her schemes start unraveling drew is faced with a choice follow the rules do the responsible thing and walk away alone from her mother s mess or hope the weather stays cold keep the cons going and just maybe hold her family together from the creator of the popular website ask a manager and new york s work advice columnist comes a witty practical guide to 200 difficult professional conversations featuring all new advice there s a reason alison green has been called the dear abby of the work world ten years as a workplace advice columnist have taught her that people avoid awkward conversations in the office because they simply don t know what to say thankfully green does and in this incredibly helpful book she tackles the tough discussions you may need to have during your career you ll learn what to say when coworkers push their work on you then take credit for it you accidentally trash talk someone in an email then hit reply all you re being micromanaged or not being managed at all you catch a colleague in a lie your boss seems unhappy with your work your cubemate s loud speakerphone is making you homicidal you got drunk at the holiday party praise for ask a manager a must read for anyone who works alison green s advice boils down to the idea that you should be professional even when others are not and that communicating in a straightforward manner with candor and kindness will get you far no matter where you work booklist starred review the author s friendly warm no nonsense writing is a pleasure to read and her advice can be widely applied to relationships in all areas of readers lives ideal for anyone new to the job market or new to management or anyone hoping to improve their work experience library journal starred review i am a huge fan of alison green s ask a manager column this book is even better it teaches us how to deal with many of the most vexing big and little problems in our workplaces and to do so with grace confidence and a sense of humor robert sutton stanford professor and author of the no asshole rule and the asshole survival guide ask a manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way erin lowry author of broke millennial stop scraping by and get your financial life together highly skilled 10x talent brings at least 10 times the value to your organization by understanding how to attract manage and retain these sought after individuals your business will become more agile innovative and experience transformational growth 10xers can tackle a company s toughest problems improve their strongest assets and blaze a path to success with the rapid digitization of every conceivable product and service the environment has transformed so fast that every organization must be equipped with these phenomenally gifted employees to keep up game changer provides proven strategies on how your company can create the right environment for top talent and breakthrough success by upending traditional business practices it also reveals how individuals can evolve from good to great to 10x and enjoy the many perks and rewards this status brings in game changer you ll learn how highly skilled talent is transforming companies of all sizes and industries through real world stories and first hand testimonies from top executives and entrepreneurs ways managers can become coaches that empower their team to accomplish amazing results the unconventional business environment 10xers need for massive productivity including deep flow states greater autonomy and ownership and work time flexibility how to see yourself as both talent and management and become comfortable switching these hats game changer will show you how to make an impact at work become a highly skilled and phenomenally gifted employee and experience the rewards and satisfaction of being 10x most leadership models start with trying to identify what great leaders do in follow the leader global speaker consultant and leadership expert emmanuel gobillot answers a much more fundamental question to anyone wanting to become a great leader what do great followers want in this fast paced and well researched book he identifies the key elements of

leadership success and the proven pathways to developing the charisma we all seek in the leaders who truly inspire and motivate us he breaks down the all important charisma into eight critical elements explaining how each component works and offering practical development steps for each getting these steps right will transform good leaders into magnets for great followers harnessing an unstoppable power for business achievement do one thing is for anyone who feels like they need to make changes in their life but don't know where to start with practical tools and advice to tackle the issues in your life that are stopping you from achieving your goals you'll find out how to overcome these and start making the change you want from today broken into nine distinct topic areas and with over practical 60 ideas for you to try from self help to productivity tips dr geraint evans shows you how to understand how to remove things that are blocking progress in your personal and professional life help you acknowledge what needs to change and understand you need to do to make it happen how to ask for help and find ways to give back to others use your new perspective to sustain momentum in the future if you only do one thing read this book a feel good story of love and reinvention at the worst time lena buckley's not like other people ones with awesome careers relationships and health insurance she's thirty five and has nothing to show for it but a dilapidated family farm and an anxiety disorder worsened by her mother's death starting over again means major decisions ahead so she relies on the simple mantra that kept her going during her mom's care make one thing better hoping it leads to the successful independent life she wants ben wright has his life together a disabled army veteran and local cop ben's the type to have all the required insurance health or otherwise when lena needs help he's quick to say it's no trouble though he's hard to read and not one for chitchat an odd but endearing friendship builds on the one thing they have in common brokenness a sad but funny love story grows from their unique hardships forging a deep connection that makes everything better but reality supports what her anxiety tells her good things don't last when the covid 19 pandemic steals her few opportunities and her home verges on unlivable she must choose between love and survival a real romance with a quirky heroine one thing better is a warm funny and best of all honest first person love story featuring broken people actual metaphorical fireworks tears bad words the occasional mouse and a delightful better ever after john russell fearn 1908 1960 was an extremely prolific and popular british writer who began in the american pulps then almost single handedly drove the post world war ii boom in british publishing with a flood of science fiction detective stories westerns and adventure fiction he employed numerous pseudonyms such as vargo statten volstead gridban hugo blayn thorton ayre polton cross geoffrey armstrong dennis clive john cotton ephriam winiki spike gordon and many others he is noted for such grandly extravagant science fiction as the intelligence gigantic and the liners of time mathematica and the golden amazon series he was so popular that one of his pseudonyms became the editor of vargo staten's science fiction magazine in the 1950's his work is noted for its vigor and wild imagination he has always had a substantial cult following and has been popular in translation around the world from counselor and popular radio host dr randy carlson comes a new book containing the surprising truth living a better life is easier than you think instead of making big resolutions that quickly overwhelm you the power of one thing invites you to begin moving toward change one daily intentional step at a time you'll learn how to figure out which positive change can make the biggest payoff in your life you'll get practical tips from those who have already benefited from this plan and you'll see how your one thing lived intentionally over time will help you to achieve the dreams you'd almost given up on richard reed built innocent drinks from a smoothie stall on a street corner to one of the biggest brands in britain he credits his success to four brilliant pieces of advice each given to him just when he needed them most ever since it has been richard's habit whenever he meets somebody he admires to ask them for their best piece of advice if they could tell him just one thing what would it be richard has collected pearls of wisdom from some of the most remarkable inspiring and game changing people in the world in business tech philanthropy politics sport art spirituality medicine film and design from hollywood greats like judi dench and richard curtis to entrepreneurial legends like richard branson and simon cowell from sports stars and tv personalities like andy murray and james cordon to political activists and born survivors like mandela's comrades and katie piper richard has picked some of the world's most interesting brains to give you a lesson in how to live how to love how to create and how to succeed a serious relationship isn't the main thing on porter washington's mind at least not after he leaves his girlfriend when he learns her baby isn't his who needs it he's a fine detroit firefighter and women practically throw themselves at him but something's missing in his life something that will take a near fatal beating for porter to find the mother of two children by different men winona fairchild has made more than her share of mistakes in life a fact her father never lets her forget but now she's coming home from texas to try to get things right she's got a great new job her own house a fledging tiger woods in her son and a devastating secret that could destroy it all it's a small world even in a city as big as detroit can their pain and regret fade into the past and their futures look as bright as day a gifted writer one of the best among contemporary african american novelists on the scene today book remarks you've heard the expression it's the little things that count research has shown that little daily practices can change the way your brain works too this book offers simple brain training practices you can do every day to protect against stress lift your mood and find greater emotional resilience just one thing is a treasure chest of over fifty practices created specifically to deepen your sense of well being and unconditional happiness just one practice each day can help you be good to yourself enjoy life as it is build on your strengths be more effective at home and work make peace with your emotions in this radical new interpretation of love as the touchstone of the christian message well respected author leonard doohan explores the human longing for meaning the scriptures the relational model of the trinity the ideas of human vocation destiny and community the mystical spiritual traditions and his own experiences to explain what love is how we find it and how it can change the world this book's originality is that its single focus on the power of love brings together central insights of human search scripture theology and spirituality all centering on the way of love each of the seven chapters contains several quotes and focus points at the beginning and provocative questions at the end for reflection or discussion by adult religious education and bible study groups if your house were on fire what one thing would you save newbery medalist linda sue park explores different answers to

this provocative question in linked poems that capture the diverse voices of a middle school class illustrated with black and white art when a teacher asks her class what one thing they would save in an emergency some students know the answer right away others come to their decisions more slowly and some change their minds when they hear their classmates responses a lively dialog ignites as the students discover unexpected facets of one another and themselves with her ear for authentic dialog and knowledge of tweens priorities and emotions linda sue park brings the varied voices of an inclusive classroom to life through carefully honed engaging and instantly accessible verse you ve heard the expression it s the little things that count it s more than a simple platitude research has shown that integrating little daily practices into your life can actually change the way your brain works this guide offers simple things you can do routinely mainly inside your mind that will support and increase your sense of security and worth resilience effectiveness well being insight and inner peace for example they include taking in the good protecting your brain feeling safer relaxing anxiety about imperfection not knowing enjoying your hands taking refuge and filling the hole in your heart at first glance you may be tempted to underestimate the power of these seemingly simple practices but they will gradually change your brain through what s called experience dependent neuroplasticity moment to moment whatever you re aware of sounds sensations thoughts or your most heartfelt longings is based on underlying neural activities this book offers simple brain training practices you can do every day to protect against stress lift your mood and find greater emotional resilience just one practice each day can help you to be good to yourself enjoy life as it is build on your strengths be more effective at home and work make peace with your emotions with over fifty daily practices you can use anytime anywhere just one thing is a groundbreaking combination of mindfulness meditation and neuroscience that can help you deepen your sense of well being and unconditional happiness gideon lancaster a new zealand soldier fighting for the british infiltrates a boer commando he soon finds himself entangled in a confusion of loyalties as he becomes better acquainted with the men and worse falls in love with esther calitz a boer woman of considerable mettle who demands his loyalty over every other allegiance between esther and commandant jacob eksteen his taciturn rival in love and a man of clear black and white convictions lancaster navigates his way only with great difficulty so powerful are the conflicting demands of fidelity and love that he seizes a quixotic opportunity when a large british battalion is mobilised in what is to be the final triumph of the imperial forces half of one thing is a ripping good read a love story and a war adventure subtly written with a confident hand in this delightfully simple yet realistic book life and business coach shapiro has distilled a quarter century s experience with clients thereby providing concrete steps for handling negative communication and strategies for increasing optimism following the success of the landmark bestsellers first break all the rules and now discover your strengths marcus buckingham offers a dramatically new way to understand the art of success with over 1 6 million copies of first break all the rules co authored with curt coffman and now discover your strengths co authored with donald o clifton in print cambridge educated buckingham is considered one of the most respected business authorities on the subject of management and leadership in the world with the one thing you need to know he gives readers an invaluable course in outstanding achievement a guide to capturing the essence of the three most fundamental areas of professional activity great managing leading and career success buckingham draws on a wealth of applicable examples to reveal that a controlling insight lies at the heart of the three lose sight of this one thing and even the best efforts will be diminished or compromised readers will be eager to discover the surprisingly different answers to each of these rich and complex subjects each could be explained endlessly to detail their many facets but buckingham s great gift is his ability to cut through the mass of often conflicting agendas and zero in on what matters most without ever oversimplifying as he observes success comes to those who remain mindful of the core insight understand all of its ramifications and orient their decisions around it buckingham backs his arguments with authoritative research from a wide variety of sources including his own research data and in depth interviews with individuals at every level of an organization from ceo s to hotel maids and stockboys in every way a groundbreaking book the one thing you need to know offers crucial performance and career lessons for business people at all career stages the must read summary of marcus buckingham s book the one thing you need to know about great managing great leading and sustained individual success this complete summary of the ideas from marcus buckingham s book the one thing you need to know provides the key to being a great manager never forget that everyone who reports to you is a unique individual in his book the author explains that your job is to capitalise on employees individualities rather than trying to eradicate differences and encouraging everyone to act the same this summary reveals exactly how you can do this and how you can ensure that you are the best leader possible by creating confidence within your team added value of this summary save time understand key concepts expand your knowledge to learn more read the one thing you need to know and discover how you can become a great leader by embracing the unique qualities of your employees jesus rebuked the wind and said to the sea hush be still and it became perfectly calm mark 4 39 since creation to now people have been searching for ways to be still our lives are crammed with meetings appointments phone calls traffic confrontations and general busyness how can you keep your faith in a world of chaos the same way elijah did when faced with an uncertain future he listened for the still small voice of god one thing is a collection of refreshing moments to help you hear from the lord and press on these faith stirring stories and principles will shower you with fresh strength empowering you to step out once again into the world to fulfill the destiny god designed especially for you shh listen he s speaking to you today a man in the federal witness protection program is killed in a hit and run accident the fbi believes the mob did it detective patrick delaney isn t so sure a corrupt coach and a song and dance man wannabe from la team up to undo a blackmailer their nincompoopery awakens a cell of bioterrorists but not to worry detective delaney and professor myron willgrubs with help from a mean holstein bull team up to catch the bad guys and solve the hit and run mystery the book you need to make better business decisions faster the one thing to win at the game of business is the entrepreneur s bible with everything you need to invest in your own entrepreneurial education based on author creel price s own experience launching a small business for just 10 000 and then selling it a decade later for over 100 million the book is based

on one core business truth that decisionship the ability to make better faster decisions without the angst is key to success systematically explaining the decisionship methodology that price has used with great success the book outlines a visual model that brings together three distinct sights foresight insight and hindsight at the heart of the decision making process taken together these perspectives enable you to quickly and easily process your options from every angle and make smarter choices more quickly presents a three step process for making better business decisions teaches you the one thing you need to know to build a more productive more profitable company explains the keys to building a closer knit more productive and highly motivated team innovative practical advice from a proven business expert the one thing to win at the game of business is the ultimate business shortcut the single thing that you must understand about entrepreneurship in order to get ahead drawing on a wide body of research including extensive in depth interviews the one thing you need to know reveals the central insights that lie at the core of great managing great leadership and great careers buckingham uses a wealth of relevant examples to reveal that at the heart of each insight lies a controlling insight lose sight of this one thing and all of your best efforts at managing leading or individual achievement will be diminished for great managing the controlling insight has less to do with fairness or team building or clear expectations although all are important rather the one thing great managers know is the need to discover and then capitalize on what is unique about each person for leadership the controlling insight is the opposite discover and capitalize on what is universal to all your people regardless of differences in personality race sex or age for sustained individual success the controlling insight is the need to discover what you don't like doing and know how and when to stop doing it in every way a groundbreaking work the one thing you need to know offers crucial performance and career lessons for business people at every level shares the author's parenting misadventures from her decision to adopt as a single woman and her transition to a stay at home mom after marriage to her efforts to explain the birds and the bees to her precocious eight year old in today's church there is growing interest in learning more about what constitutes genuine worship theologically historically and devotionally however worship is not just another spoke on the wheel of the church program but rather the very hub from which everything we do for god should emanate in short it is a lifestyle in one thing needful worship leader dr gary m mathena aptly explains what worship is and why god wants us to practice it not just on sundays but every day he reveals how our current worship is built upon more than twenty centuries of worship heritage from the early church through the reformation and contemporary worship cultures mathena shows why we should study worship as depicted in the old testament especially tabernacle worship the sacrificial system the feasts and festivals and the idea of covenant he stresses that worship must be based on the bible and includes scriptural references to support this conclusion in addition he introduces seven key worship disciplines introduction to worship theology of worship history of worship tabernacle worship music and worship the heart of the worship leader lifestyle worship for pastors music ministers choir members worship teams and laypeople who desire to understand what it really means to worship god in spirit and truth one thing needful offers an invaluable inspiring guide nearly forty years ago when she left home and moved to new york sallee mackey was ready to start her law career and find a man to love peter seemed just the guy a glamorous attorney who was different in all the right ways her family didn't always approve of him but sallee stuck by his side even when it pushed her away from the mackey clan now sallee's petulant daughter virginia is getting married and she has chosen to do so at her grandmother's farm in the blue ridge mountains sallee is hesitant to return to her roots but she doesn't have an option she won't miss her daughter's wedding family matriarch ginny has even renovated the barn to entice the entire family to attend no matter how many new skeletons tumble from half open closets overall sallee is happy to see her daughter marry but is concerned about her daughter's fianc who has recently been discovered to be a star just starred in an as yet to be named pornographic film tension only increases when virginia loses what little cool she once possessed the mackey family will have to hash out all sorts of old grudges as the weather forecast portends the biggest blizzard in years in my fifteen years of listening to clients say they're overwhelmed with life's responsibilities and financial challenges to keep up with health and wellness goals i compiled these thirty one tips to serve their needs the tips are easy mostly cost free and success proven in this book you will learn nine tips for improving physical well being eight tips for improving mental well being seven tips for improving emotional well being seven tips for improving spiritual well being improving vitality and well being is easier and less expensive than you might expect one family's journey through autism see how god healed their bodies changed their minds and awakened their spirits do you want more free book summaries like this download our app for free at quickread.com app and get access to hundreds of free book and audiobook summaries the one success secret you really need in your life when it comes to self help and personal improvement there are as many top tips as there are gurus out there pitching them everyone has their own brand of best practices for achieving success and everyone believes their idea is the one that works but how do you know which tips really work whose advice should you really follow gary keller and jay papasan also believe that their tips are the best but there's one thing that sets them apart literally the one thing 2013 is a revolutionary divergence from traditional self help books and it's designed with one purpose in mind helping you accomplish your one true goal disclaimer this book summary is meant as a summary and an analysis and not a replacement for the original work if you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be if you are the original author of any book published on quickread and want us to remove it please contact us at hello.quickread.com it's tough being a teenage slayer on the verge of failing her junior year thanks to annoying principal snyder who seems to be acting even stranger than usual lately buffy agrees to meet with a tutor not helping her studies is the fact that lately she's been exhausted waking up each morning feeling more tired than she did the night before to make matters even worse she's tasked with investigating the disappearance of a child a little girl who happens to have gone missing mere hours before a child vampire surfaced in sunnydale accompanied by a wheelchair bound male who fits spike's description perfectly fighting off exhaustion and uneasy at the prospect of staking a child vamp buffy learns that principal snyder is the target of a sleep deprivation spell that has taken over sunnydale putting aside her

fear that her tutor is out to get her and hoping that the sleeping spell is affecting both humans and demons buffy investigates snyder s odd behavior she follows him to his childhood home to discover that he has arranged to have his abusive mother banished to the demon dimension meanwhile drusilla who has been playing mother figure to the child vampire is learning how difficult it is to be a parent as sleep takes hold of the citizens of sunnydale buffy begins to realize that unless she breaks the spell soon the nightmare is just beginning she has the whole world fooled but the one man who just may see through her holds not only the key to her success but also her heart rachel somers is america s 1 relationship coach america just doesn t know it rachel writes the books but her aunt donna plays the face of the operation living in fear of their secret being exposed rachel has no choice but to keep up the charade or lose the big money required to care for her father with the deadline for their next book closing in rachel finds herself out of inspiration and running out of time the last thing she needs is her aunt and publicist concocting a harebrained scheme to join forces with some radio star in the hope it will help deliver the elusive next book idea lucas grant is a star of late night radio though it s come with an unexpected price of hordes of women who keep calling his sports show to ask him for relationship advice they make his ratings look great but they also mean he has to waste hours talking to people like dr donna somerville about feelings instead of his first love football when a big time producer calls it looks like his hard work is about to pay off but the offer comes with a catch the producer is convinced dr donna is not what she seems and he wants lucas to discover her secret to do that he needs to win over her tight lipped assistant who holds the key to his success and he begins to suspect his heart can love find a way through the lies that force them apart maggie sanders might be blind but she won t invite anyone to her pity party ever since losing her sight six months ago maggie s rebellious streak has taken on a life of its own culminating with an elaborate school prank maggie called it genius the judge called it illegal now maggie has a probation officer but she isn t interested in rehabilitation not when she s still mourning the loss of her professional soccer dreams and furious at her so called friends who lost interest in her as soon as she could no longer lead the team to victory then maggie s whole world is turned upside down somehow incredibly she can see again but only one person ben a precocious ten year old unlike anyone she s ever met ben s life isn t easy but he doesn t see limits only possibilities after awhile maggie starts to realize that losing her sight doesn t have to mean losing everything she dreamed of even if what she s currently dreaming of is mason milton the magnetic lead singer of maggie s new favorite band who just happens to be ben s brother but when she learns the real reason she can see ben maggie must find the courage to face a once unimaginable future before she loses everything she has grown to love counselor and popular radio host dr carlson invites readers to begin moving toward change one daily intentional step at a time he teaches readers how to figure out which positive change can make the biggest payoff in their lives just one thing a guide to living a healthier happier life by making one small change at a time is the only all inclusive guide for helping the reader easily and effectively improve all five facets of their health nourishment movement sleep stress and joy in this book you will discover the concept of making a small change to successfully maintain a new habit the various ways you can read the guide either by particular area of interest or from cover to cover depending on your health goals for example if you have already adopted a healthy eating plan but struggle with stress management you can simply refer to this section and begin implementing only the most needed behaviours simple do just one thing interventions for each of the five sections of health choose to make one or all of these small changes in each section real life patient case studies for each facet of health so you can see for yourself how simple yet effective these changes can be bonus materials must do blood tests to ask your doctor for a how stressed are you quiz more one big idea organizations have to be good at lots of things but the way to win is to become differentiatingly great at one thing the one thing every executive team must decide is what is your one thing four typical responses based on our experience we know that the decide one thing concept will get four different responses some organizations will categorically reject the idea that they need to become great at one thing some will think it is cool but get distracted by the next cool idea or fad that comes along some will embrace the concept for a time but give up because implementing it is too hard a few executive teams will fully commit to the decide one thing align everything win model these organizations will generate incredible results 30 60 or 100 times their investment so which of the four responses will you have more than 500 appearances on national bestseller lists 1 wall street journal new york times and usa today won 12 book awards translated into 35 languages voted top 100 business book of all time on goodreads people are using this simple powerful concept to focus on what matters most in their personal and work lives companies are helping their employees be more productive with study groups training and coaching sales teams are boosting sales churches are conducting classes and recommending for their members by focusing their energy on one thing at a time people are living more rewarding lives by building their careers strengthening their finances losing weight and getting in shape deepening their faith and nurturing stronger marriages and personal relationships you want less you want fewer distractions and less on your plate the daily barrage of e mails texts tweets messages and meetings distract you and stress you out the simultaneous demands of work and family are taking a toll and what s the cost second rate work missed deadlines smaller paychecks fewer promotions and lots of stress and you want more you want more productivity from your work more income for a better lifestyle you want more satisfaction from life and more time for yourself your family and your friends now you can have both less and more in the one thing you ll learn to cut through the clutter achieve better results in less time build momentum toward your goal dial down the stress overcome that overwhelmed feeling revive your energy stay on track master what matters to you the one thing delivers extraordinary results in every area of your life work personal family and spiritual what s your one thing what s on your to do list from sunrise to sunset you re checking off items some may be easy some may be challenging yet only one thing will help you with all your daily tasks attending to god s word proverbs 4 20 in only one thing kenneth copeland will help you make listening to the lord and following his ways your life s mode of operation you ll discover that there s no end to the marvelous things god may reveal to you things that will make each of your days prosperous and fulfilling for your sake and for the sake of his kingdom a self help manual on creating reasonable achievable improvement in your

life in our attempts to overachieve many people find themselves frustrated because they cannot relish in their own successes though these professionals may reach their goals of job titles and financial stability they often sacrifice their personal and family lives and discover deep dissatisfaction in change one thing self help author sue hadfield outlines the necessary steps to address the disillusionment that has become a common problem in our work driven society while whirlwind change can be overwhelming and unrealistic for a modern worker with a family and responsibilities hadfield asserts that a determined person can bring about an impactful change in his life by simply altering one aspect of it teaches readers to avoid emotions of hopelessness and panic associated with changing too many aspects at once details a step by step plan to make a meaningful change shares real life examples of people who successfully altered their lives those who recognize that professional success is less fulfilling than other facets of their lives will find comfort and guidance in change one thing as they embark on missions to improve their lives
